## REPORT ON AIDS AWARENESS & TB MukT BHARAT LECTURE

AIDS Awareness & TB MukT Bharat Lecture organized on: **08th March 2025** at **MSCM Government College, Thural**. The session focused on AIDS awareness and the TB MukT Bharat Abhiyan, aiming to educate students about these critical health issues. The event was graced by two esteemed medical professionals from Government Hospital, Thural--**Dr Shailja** and **Dr Rishika**, who shared their valuable insights with the students.

**Session Highlights:** The programme commenced with lamp-lighting and a warm welcome to the distinguished guests by the Principal, faculty members, and students. The Principal, in her address, emphasized the significance of health awareness among the youth and encouraged students to take responsibility for spreading knowledge within their communities.

**Lecture on AIDS Awareness by Dr Shailja:** Dr Shailja, a highly experienced medical professional, delivered an informative session on HIV/AIDS awareness. She explained the causes, modes of transmission, symptoms, and preventive measures related to HIV/AIDS. She particularly focused on:

- Dispelling myths and misconceptions surrounding the disease.
- Promoting safe practices to prevent HIV transmission.
- The importance of early detection, testing, and treatment options available under government schemes.
- The stigma attached to HIV/AIDS and the need to foster a more inclusive and supportive society. She urged students to be aware and act as responsible citizens in spreading the right information about HIV/AIDS prevention and management.

**TB MukT Bharat Abhiyan--Talk by Dr Rishika:** Following this, Dr Rishika took the stage to discuss Tuberculosis (TB) and the government's "TBMukT Bharat Abhiyan"--a national mission to eradicate TB from India. She elaborated on:

- How TB spreads and its symptoms.
- The significance of early diagnosis and regular treatment under the National Tuberculosis Elimination Program (NTEP).
- The role of nutritional support and hygiene in TB prevention.
- Government initiatives like *Nikshay Poshan Yojana*, which provides financial and nutritional assistance to TB patients.
- The importance of community participation in achieving a TB-free India. Her talk emphasized that TB is preventable and curable with timely intervention, and she encouraged students to help create awareness in their surroundings.

**Principal's Address--Say No to Drugs:** The session was further enriched by a guiding message from the Principal, Prof Raka Sharma who advised students to stay away from drugs and unhealthy habits. She stressed how substance abuse not only destroys individual lives but also negatively impacts families and society as a whole. She urged students to focus on their education, maintain a healthy lifestyle, and seek support if they face any challenges related to mental health or peer pressure.

As the event came to a conclusion, SS Prem Lata delivered a heartfelt vote of thanks, expressing gratitude to Dr Shailja and Dr Rishika for their enlightening talks. She also appreciated the Principal for her valuable guidance and thanked all faculty members and students for their enthusiastic participation.

The session proved to be highly informative and impactful, leaving students more aware of AIDS prevention, TB eradication efforts, and the importance of leading a drug-free life. The event successfully reinforced the message that health awareness is the key to a stronger and healthier society.

## Eco-Club

Eco clubs serve as vital platforms in schools and colleges for fostering environmental stewardship, transforming theoretical knowledge into actionable conservation practices. They create awareness, promote sustainable lifestyles and organize campaigns to reduce carbon footprints, manage waste, and protect biodiversity.

### **Key roles of Eco Clubs include:**

**Awareness Generation:** Organizing campaigns, rallies, competitions (essays, painting, quizzes), and nukkad natak to educate students and the community on critical issues like pollution, climate change, and resource depletion.

**Action-Based Conservation:** Conducting practical activities such as tree plantation drives, constructing compost pits, creating medicinal gardens, and implementing water conservation methods (e.g., saving 1 liter of water a day).

**Promoting Sustainable Lifestyles:** Teaching students to reduce waste, manage e-waste, and stop using single-use plastics.

**Capacity Building:** Developing leadership and environmental responsibility among youth through activities like nature trails, wildlife education, and waste audits.

**Community Engagement:** Extending environmental impact beyond school walls by engaging parents and neighbors in sustainable practices, such as promoting eco-friendly festivals and green, clean initiatives.

**Policy Alignment:** Supporting governmental efforts, such as the Delhi Environment Department's initiatives, to create a sustainable, green, and clean environment.

- 1) A tree plantation drive was organized by the Eco-Club in collaboration with NSS of MSCM Govt.
